## DCL 2025 GLOBAL SUMMIT – KSA

DIGITAL COMMUNITY LEADERS GLOBAL SUMMIT  
POWERED BY CARRIER COMMUNITY

# ABOUT THE SUMMIT

The *elite & premier* DCL 2025 Global Summit - KSA (Digital Community Leaders Global Summit) designed exclusively for the top elite *C-Levels only* will take place in Saudi Arabia at the Global Red Sea and *luxurious* St. Regis Hotel, bringing together GCC regional and global **partners, industry leaders, and Leaders Club members** for an unparalleled opportunity to network, collaborate, and innovate. This elite & premier event is designed to create and deepen meaningful connections, drive impactful forum and task force discussions moderated by the top industry consulting agencies, and advance the digital future of the telecom industry both in the GCC region and globally.

# DATES, VENUE:

**Dates:** 14 - 15<sup>TH</sup> May 2025

**Venue:** St. Regis at Red Sea Global

# KEY OBJECTIVES

The DCL 2025 Global Summit- KSA will focus on critical objectives to drive innovation, sustainability and transformation in the telecom sector, including:

- Developing and implementing **new industry standards**.
- Fostering **sustainable digital infrastructure** and **enhancing global digital connectivity**.
- Exploring **AI integration, monetization, and automation across the sector**.
- Addressing challenges to support long-term digital transformation and innovation.
- Influencing and defining the digital future of telecommunications in Saudi Arabia, the GCC, and beyond

# WHY ATTEND?

- Network in an exclusive setting with **only elite C-level** executives and industry leaders.
- Engage in high-level discussions on the telecom sector's future.
- Access a **global, elite & premier** event designed for meaningful collaborations and strategic insights taken place in a luxurious Global Red Sea at the St. Regis Hotel.
- Be part of this elite transformative event to **reshape connectivity in Saudi Arabia** and across the GCC region

Don't miss this opportunity to connect, collaborate, and drive lasting impact. Register Today and Lead the Digital Future!

# WHY THIS GLOBAL SUMMIT STANDS OUT?

This exclusive executive gathering offers a distinctive C-Level only exclusive and global Elite gathering platform, setting it apart from other industry summits:

## 1. Global Industry Thought elite Leaders

- The event convenes top-tier leaders and innovators who shape the future of the global telecommunications landscape, ensuring high-value insights and impactful forum discussions.

## 2. Organized by a Renowned Global Digital Community – a brand of the CC

- Hosted by a trusted digital community established in 2008, the event benefits from over 15 years of expertise and credibility having successfully onboarded 9000+ global members from 3000+ operators in 140+ countries within the telecom wholesale sector and ecosystem.

## 3. Dynamic and Interactive Formats

- Unlike conventional summits, this event includes diverse formats such as discussion forums, task forces, and workshops, fostering collaboration and actionable outcomes.

## 4. Complementary to Existing KSA Events

- Enhancing the Saudi and GCC telecommunications footprint, the summit aligns with and adds value to ongoing initiatives in the region.

## 5. Strategic Focus on Future Telecom Policies and Standards

- The event addresses critical topics shaping the industry's future, including:
- Digital Connectivity and Infrastructure modernization with deployment of cutting-edge technologies such as AI, 5G, Network-as-a-Service (NaaS)
- Fraud prevention and digital security.
- Sustainability and environmental responsibility.
- Inclusion to bridge digital divides.
- And other related critical topics

## 6. Exclusive Elite & Premier location - Red Sea Global

- Hosted in a world-renowned, luxurious setting – the Red Sea Global facilities, the event provides an unparalleled atmosphere for high-level discussions and networking.

This summit is not just an event but a pivotal moment to influence and define the future of telecommunications in Saudi Arabia, the GCC, and beyond.

# EVENT HIGHLIGHTS

## Interactive Focused Discussion Forums

- Participate in interactive brainstorming sessions, comparative data analysis, and global forum discussions on critical industry topics with top telecom professionals.
- Engage with innovative solution providers, explore cutting-edge digital technologies, and gain valuable insights into emerging leadership trends.

## Global Digital Media Coverage

- Benefit from extensive coverage across CC's nine Global Digital Media Content Channels, amplifying the summit's global reach and impact such as Executive Interviews, Social Media Coverage, Digital & CEO Magazines, Digital Advertising, Mailshot blast campaigns and other on-site media branding channels harnessed to amplify the coverage of this summit globally.

## Focused Industry Dialogues

- Experience keynote presentations and thought leadership panel discussions addressing the latest market trends, industry evolution, and future-forward strategies.
- Participate in breakout global forum sessions that tackle new policies, standards, and trends aimed at uniting leaders to address management challenges and shape the industry's digital future.

## Seated Networking Dinner, Lunch and Breakfast:

- Exclusive seated lunches and dinners for executive gatherings offer several benefits, fostering meaningful interactions and enhancing the overall experience:
- The intimate setting allows executives to engage in deeper, more meaningful conversations, building trust and rapport.
- With an exclusive and focused guest list, executives can connect with peers, stakeholders, or potential collaborators more effectively.
- Minimizing distractions, creating an environment conducive to focused discussions on strategic topics.
- The structured seated format encourages guests to stay on-topic and actively participate.
- The relaxed yet professional atmosphere encourages the free flow of ideas, fostering innovation and collaboration.
- Smaller groups allow participants to identify shared goals and opportunities for partnership.
- Demonstrating appreciation for the executive's contributions and value to the organization.
- Serve as a motivational platform, encouraging attendees to think strategically and align with organizational goals.
- Executives will interact directly with key decision-makers, bypassing the noise of larger gatherings.
- Sharing a meal fosters a sense of unity and shared purpose among participants.
- The Red Sea Global venue and the gourmet menus and personalized touches elevate the experience.

Exclusive seated lunches and dinners are not just about the food; they are strategic tools for relationship-building, communication, and fostering a sense of digital community among executives.

# PROGRAM DAY 0

**MAY 13<sup>TH</sup> 2025 (TUESDAY)**  
19.30 – 21.00 Evening Reception

# PROGRAM DAY 1

**MAY 14<sup>TH</sup> 2025 (WEDNESDAY)**

09.30 – 10.00 Official Registration & Breakfast Networking Session

10.00 – 10.30 Official Welcome & keynote speeches

## Thought Leadership & Discussion Forum

Topic: Focus on the transformative role of artificial intelligence (AI) in telecommunications. Discuss how advancements can drive economic diversification, support sustainable development, and smart city initiatives across KSA and the GCC region, thereby setting new standards in digital connectivity and environmental responsibility. Also understanding how current infrastructure and networks are ready to accommodate the fast growing AI demand.

10.30 - 12.30

12.30 - 14.00 Seated Networking Lunch

## Thought Leadership & Discussion Forum

Topic: Combat Fraud: Collaborate on strategies to prevent fraud and enhance security across networks.

- Leverage Cutting-Edge Automation: Deploy advanced automated infrastructures and networks for seamless connectivity and interoperability.
- Set Industry Standards: Develop norms and policies for a transparent and thriving ecosystem.
- Foster Innovation: Drive sustainability, inclusivity, and innovation in the telecommunications community.

14.00 – 16.00

16.00 – 16.30 Official Closure of Day 1

19.00 – 22.00 Seated Dinner

# PROGRAM DAY 2

**MAY 15<sup>TH</sup> 2025 (THURSDAY)**

09.00 – 10.30 Official Registration & Breakfast Networking Session

## Thought Leadership & Discussion Forum

Topic: Enhancing Digital Connectivity: Strategies for Global Seamless Networks (NaaS) Satellite connectivity, Datacenter Investments in the age of AI, Peering, and Cable Investments to address current and future escalating Regional and Global Digital Demands

10.30 - 12.00

12.00 - 13:30 Seated Lunch

13:30 - 14:00 Official Closure of the Summit

Join the exclusive **global leaders' discussion forum** to tackle the **industry's most pressing challenges** and shape the future of global telecommunications.

## Key Focus Areas, i.e:

- Combat Fraud: Collaborate on strategies to prevent fraud and enhance security and resilience across networks.
- Leverage Cutting-Edge Automation: Deploy advanced automated infrastructures and networks for seamless connectivity and interoperability.
- Set Industry Standards: Develop norms and policies for a transparent and thriving ecosystem.
- Foster Innovation: Drive sustainability, inclusivity, and innovation in the telecommunications community.
- Together, let's create a secure, sustainable, and interconnected future.
